

TRI Staff Honored with 2009 NIH Merit Award

Bethesda, Maryland (October 20, 2009): TRI is pleased to announce the members of its staff who have been honored with a 2009 National Institutes of Health (NIH) Merit Award under the U.S. Department of Health and Human Services. Alisandra Johnson, CCRP; Martha Kruhm, M.S., RAC; James Murray, Ph.D.; and Yael Vinciguerra were each presented their group award for Common Terminology Criteria for Adverse Events (CTCAE) Version 4 Working Group by John E. Niederhuber, M.D., Director of the National Cancer Institute (NCI) at the NCI Director's Award Ceremony in the Natcher Auditorium.

TRI would like to extend warm congratulations to Alisandra Johnson, Martha Kruhm, James Murray, and Yael Vinciguerra for maintaining the level of client service excellence established here at TRI. They were nominated for developing best practices for safety communications that protect patients, addressing Office for Human Research Protections (OHRP) regulations, minimizing administrative burden on investigators, and minimizing disruptions to clinical trials.

About TRI: Technical Resources International, Inc. is a certified minority-owned full-service contract research and communications organization. We offer health and communications services to government agencies, the private sector, and non-profit organizations. Our areas of expertise include clinical trials management: site investigator selection & monitoring, data management, regulatory affairs & medical writing, safety & pharmacovigilance, quality assurance; health & environmental assessment; health information services; training; e-learning; database design & support; web site development; event management; and marketing & public outreach. Headquartered in Bethesda, Maryland, TRI has been repeatedly recognized among the Top 50 women-owned businesses in the Washington area.
