

**TRI is Honored Among the Inc. 500 | 5,000**

Bethesda, MD (September 3, 2014) - Technical Resources International, Inc. (TRI) is honored among the Inc. 500 | 5,000 fastest growing privately owned companies in the U.S. TRI is a five time Inc. Honoree.

According to *Inc.* magazine, the list debuted in 1981 as a ranking of the 100 fastest-growing private companies in the U.S. The following year, it expanded to the Inc. 500 and, in 2007, the Inc. 5000 was inaugurated. Through each evolution, *Inc.* has sought to celebrate the creativity, dedication, and hard work of entrepreneurs and their crucial contribution to American prosperity.

**About TRI:** Technical Resources International, Inc. is a full-service contract research organization. TRI's areas of expertise include clinical trials operations, communications, consulting, data management & biostatistics, information technology, quality assurance, regulatory affairs & medical writing, safety & pharmacovigilance, and toxicovigilance & health assessment. For more than 34 years, TRI has provided support to government agencies, the private sector, and non-profit organizations.
